RE: **AGAT MANGO FESTIVAL**

Mayor Carol Tayama and the Village of Agat will be hosting the **FOURTH ANNUAL MANGO FESTIVAL, JUNE 12-13, 2010** at the new **SAGAN BISITA** in Agat. A variety of events are being planned from arts & crafts, exhibits, to workshops, contests, food booths and entertainment (visit the Mango Festival website for more information: <http://agat.mangofestivalgu.com>).

The Guam Chamber of Commerce supports this event not only from the standpoint of promoting locally grown produce, but this is the sort of activity that will enhance our visitors' Guam experience as well as bring the local community together. All villages are being encouraged to create a unique signature event to be held each year in order to impact tourism by way of making destination Guam different from all others. Agat is the first Village to create such an event. This is part of the new identity for Guam and should warrant our participation as it could lead to great commercial events down the road and will create entrepreneurial opportunities as well as a resurgence of cultural discovery. The Chamber's participation in the previous Mango Festivals was outstanding and we are hopeful for continued support this year.

We are seeking cash contributions and prizes for the following competitions for the Mango Festival that will take place on June 12th:
