

**GUAM CHAMBER OF COMMERCE**  
PARTNERS IN PROGRESS

## Na' La' Bonita Guam Award Program

The mission of the Na' La' Bonita Guam Campaign is to beautify Guam with a community anti-litter and beautification program that creates education, pride, excitement and community involvement between the Chamber, the Government of Guam and our local community.

The Guam Chamber of Commerce is seeking to recognize individuals, businesses or organizations that contribute to improving the quality and beauty of our island by sprucing up and maintaining public areas, business establishments and/or private properties.

Winner selected from among nominations submitted by Chamber members or the community at large will be selected and presented with a crystal latte "Na' La' Bonita Guam" award at the Chamber's monthly General Membership meetings. Awardee will be recognized in the Chamber's newsletter and the selection will be announced to the local media.
